

LEDVANCE Luminaires

LED TUBE READY HIGH BAY

VALUE CLASS

Application

The Value Class LED Tube Ready High Bay fixtures are an energy efficient alternative to traditional fluorescent high bay fixtures. They offer the flexibility of installing the desired wattage and color temperature LED T8 Type-B (ballast free) double end lamps to meet the needs of the application. They can be used in warehouses, manufacturing facilities, big-box retail, gymnasiums, loading docks, or any high bay, low bay, or general lighting application.

Benefits and Features

- Available in 4-lamp and 6-lamp versions (lamps are not included)
- White powder coated galvanized metal body and reflector
- Wired to operate UL Type-B (ballast free) double ended LED T8 lamps

Electrical

- 600V rated UL listed sockets and wiring
- T8 lamp holders
- Suitable for damp locations

Warranty

- 5-year
- NLB Trusted Warranty Program

Ambient Operating Range

- Operating temperature limitations are based on the specific lamps installed in the fixture

Certifications and Listings

- cULus
- RoHS

Installation

- Fixture is wired to operate four or six UL Type B (ballast bypass) double end LED T8 lamps
- Lamps are not included
